ORGANIC, NO BARRICADE LAYOUT

A teacher with her back to the camera, wearing a patterned top and light blue pants, is addressing a large group of school children. The children are wearing blue and dark blue uniforms. They are standing in a museum-like setting with large stone sculptures and a staircase with a wooden railing in the background. A red speech bubble is positioned above the teacher, and another red speech bubble is positioned above a boy in the foreground.

YOU CAN TOUCH
EVERYTHING!

REALLY?!?

SOMETHING FOR ALL AGES

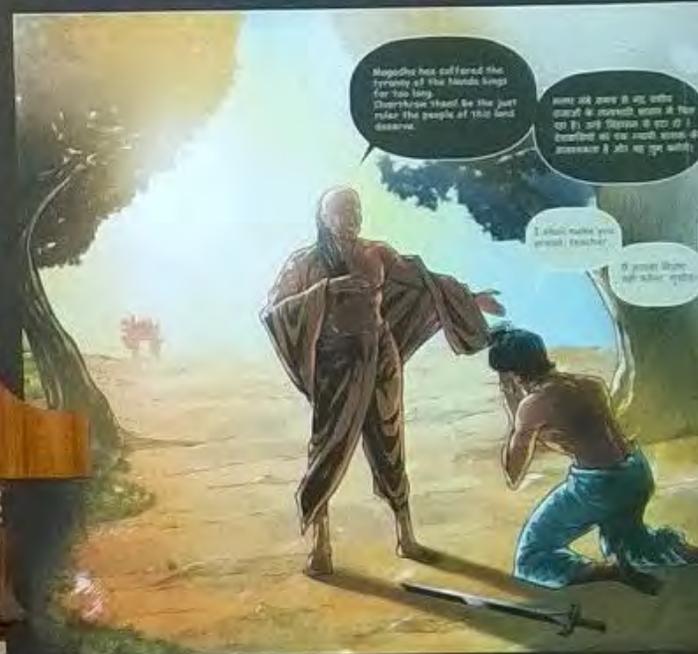

Through fierce battles, Chandragupta was the founder of Maurya and establishes the Mauryan Empire.

After the war is over, Chandragupta is able to return to Ashoka's side.

Chandragupta has offered the crown of the Maurya Empire for you long. You must know that he is just like the people of this land.

Some of the people in the court are not happy with it. They are saying that it is not good for the people of this land.

Chandragupta is a great leader. He is a great man.

This child has potential to be a great leader. I will take him to Yashika and groom him to be the mightiest ruler this land has ever seen.

Chandragupta watches a young Chandragupta playing a game.

Chandragupta is a great leader. He is a great man.
